

The 'Gold service'.

All clients of the standard service receive a quality service with an advocate from a panel of approved Barristers and an in house lawyer dealing with case preparation under the Principal's supervision.

However, for clients who want to increase their chances of avoiding a driving ban further we can offer the 'Gold Service'.

Gold clients receive the following additional benefits

- (1) A senior Barrister with exceptional talent to represent you in Court.
- (2) The Principal of the firm dealing directly with your case

Our Gold Barristers

Here is a profile for one of our gold Barristers, Phillip Lucas.

Philip is a specialist in motoring law and has successfully defended a number of high profile clients. He is outstanding in technical defences to breath and blood alcohol charges. Call date 1995.
